WELCOME!

My name is Gregory Moutsios and I am the creator and the owner of the

TIME SILENCE PHOTOGRAPHY

Facebook page as well as the founder of the Facebook artist group:

TIME SILENCE PHOTOGRAPHY friends

initiated in December 2019.

I am involved in photography for over twenty years having both the privilege and the curse not to be my livelihood. More about myself and a sample of my work can be found on my Facebook page or on my website www.timesilence.com.

The edition you are reading right now is the second issue of an attempt to gather project-based art works being submitted to the above group on a monthly basis.

Three monthly projects are the material of this publication (SPRING 2020).

The topics are as follows:

March 2020: “Free - Artist’s choice” /

“Ελεύθερο θέμα - Επιλογή του καλλιτέχνη”

April 2020: “Life Behind a Window” / “Η ζωή πίσω από ένα παράθυρο”

May 2020: “The Night” / “Η Νύχτα”

The topics were freely developed by the artists presented here, under the commitment to consist of a series of at least three photographs and with some consistency among them.

This effort will continue at this rate on a quarterly basis with the hope that it will be published in due time.

I would like to thank all the participants for the continuous support and their exceptional artwork.

The group is open to anyone who wants to become a member. Its basic prerequisites are photography and visual arts, a passion for artistic communication and an open mind. So, enjoy my friends’ work and doubt not that we will be very happy to communicate with you.
