## WELCOME!

---

My name is Gregory Moutsios and I am the creator and the owner of the [TIME SILENCE PHOTOGRAPHY](#) Facebook page as well as the founder of the Facebook artist group [TIME SILENCE PHOTOGRAPHY friends](#) initiated in December 2019.

I am involved in photography for over twenty years having both the privilege and the curse not to be my livelihood. More about myself and a sample of my work can be found on my Facebook page.

The edition you are reading right now is my first attempt to gather project-based art works being submitted to the above group on a monthly basis.

Three monthly projects are the material of this publication (WINTER 2019 -2020).

The topics are as follows:

December 2020: "Start" / "Ξεκίνημα"

January 2020: "Sign" / "Σημάδι"

February 2020: "The Waste Land" / "Η Έρημη Χώρα"

The issues were freely developed by the artists presented here, under the commitment to consist of a series of at least three photographs and with some consistency among them.

This effort will continue at this rate on a quarterly basis with the hope that it will be published in due time.

Closing, I would like to add that the group is open to anyone who wants to become a member. Its basic prerequisites are photography, a passion for artistic communication and an open mind. So, enjoy my friends' work and doubt not that we will be very happy to communicate with you.
